

The National Student Electronic Music Event was created by and for students, aiming to bring together the nation's composers and performers currently studying in the ever-growing field of electronic music. We welcome students to share ideas and learn from an experience completely surrounded by peers. Although the composers, performers, judges, and coordinators are all students, everyone is welcome to join us for this exciting event.

There will be two concerts on Wednesday, November 2nd. One concert will be 5:30 and another at 8 with a break in-between for a reception. There will also be a selected installation running throughout.

Submission Guidelines (Postmark Deadline - August 29)

- Must currently be a student or going to be in school in the 2011-2012 academic year.
- 1 score submission and/or 1 installation proposal per student
- All pieces must contain a performance aspect.
- Chamber groups of 6 performers or less.
- Performers can be provided for standard instruments.
- Maximum 4.1 loudspeaker system.
- Priority will be given to pieces under 12 minutes in length.
- No submission Fee.
- Composers are not required to attend if their piece is selected.
- Composers are encouraged to bring their own equipment, however, please contact us for specific requests.
- Equipment that can be provided:
  - 2 Mac Laptops with (Max5/Logic Pro 9/Ableton Live 8 with Max For Live/Reason 5/Any open source software necessary)
  - 4.1 loudspeaker system
